

## Clanfield Bowls & Sports Club

### Learn Bridge

Starting from 29 or 30 September 2019

♠♥♦ We recently sent out an email to gauge interest from Members about playing bridge. Many said yes, provided they receive some training. Fortunately, three of our Members are qualified Directors of the English Bridge Union and they have offered to introduce a training programme. We would see how that works out with a view to enabling casual play and/or formally directed sessions next year. Lessons will be given to take you from rank beginner to club player level in 12 lessons.

If you are interested, please sign up on the form at the club pavilion, or return an email stating your interest to Rick at [rickabee23@gmail.com](mailto:rickabee23@gmail.com) and copying in both [michael.trippick@clanfieldbsc.com](mailto:michael.trippick@clanfieldbsc.com) and [teresa.attlee@clanfieldbsc.com](mailto:teresa.attlee@clanfieldbsc.com) so we can plan dates, etc.

The cost will be £3 per person for the first two sessions (tasters to decide if you wish to continue or not) and £30 for the remaining 10 sessions for the first season. Handouts will be given at each session. Each training session will consist of a short recap, a formal lesson, followed by some examples and then supervised play. It is expected to be once a week on a set day which proves to be the most popular. However, casual play can happen at any time at the pavilion organised by Members themselves.

Please sign up on the form on the notice board, and show preference for Sunday, Monday or other. Please tick all which you are prepared to attend, to allow a choice to be made of the most popular.
